SPECIAL NOTES:

- Athletics:** The under nine age group will be included in athletics practice. However, as the Gr3's take part in the Foundation Phase Athletics Day they will not take part in heats for the Senior Primary Athletics Meeting. They will still attend athletics practice on these days. The U9's will be able to challenge for places in the inter-school team after the Senior Primary Athletics Meeting.
- Arts and Crafts:** If your child attends craft, they have to commit to both days.
- Busy Bee Club:** (* NEW Gr1,2) Learners will have an opportunity to complete their homework and do enrichment work in this time (This is not a tuition session).
- Badminton:** (* NEW) – Gr 6. As this is a new activity and due to limited space, we will start with just the Grade 6 and build from there.
